Step 1: Open the Talent Hub link 3

Step 2: Sign in with Google 3

Step 3: Choose the correct email 4

Step 4: Open the Log Book from the dashboard 5

Step 5: Select your work status 6

Step 6: Select your task stack 7

Step 7: Fill in the details and submit 8

Step 8: View your daily records 9

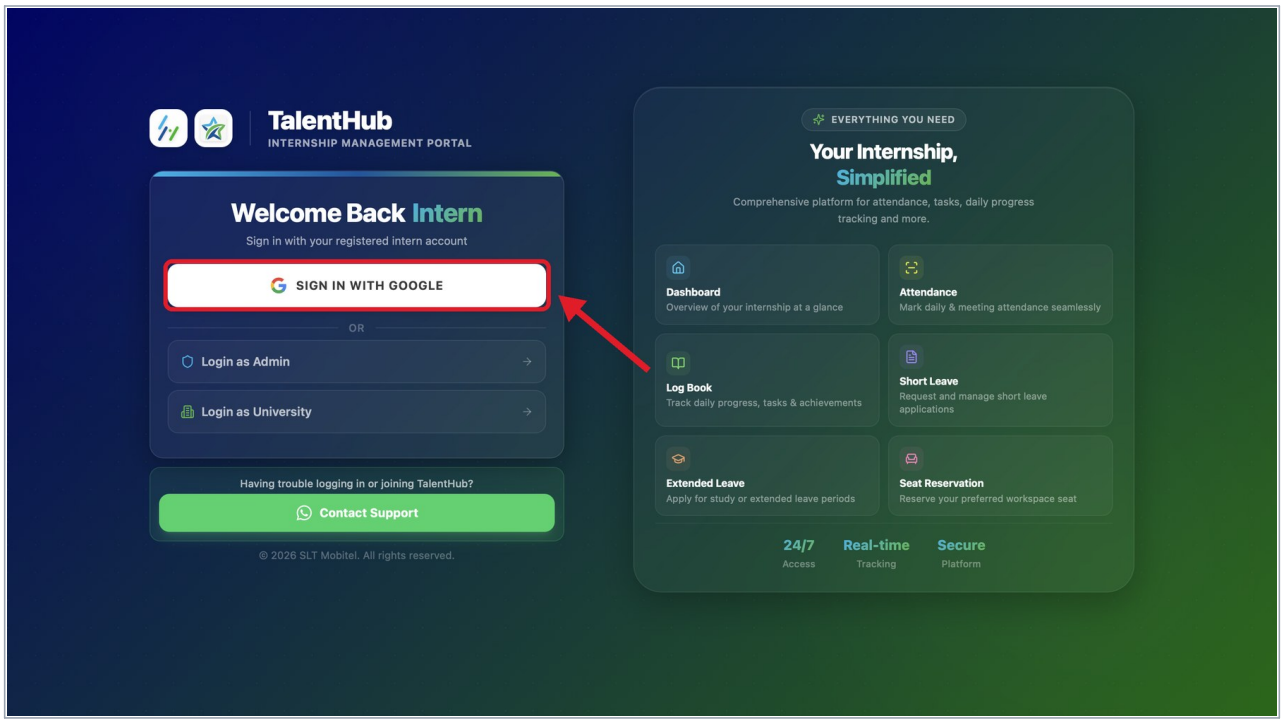

➢ Step 1: Open the Talent Hub link

The URL to access the Talent Hub is given below. Open it in your web browser on a computer or mobile phone.

(https://talenthub.slt.lk)

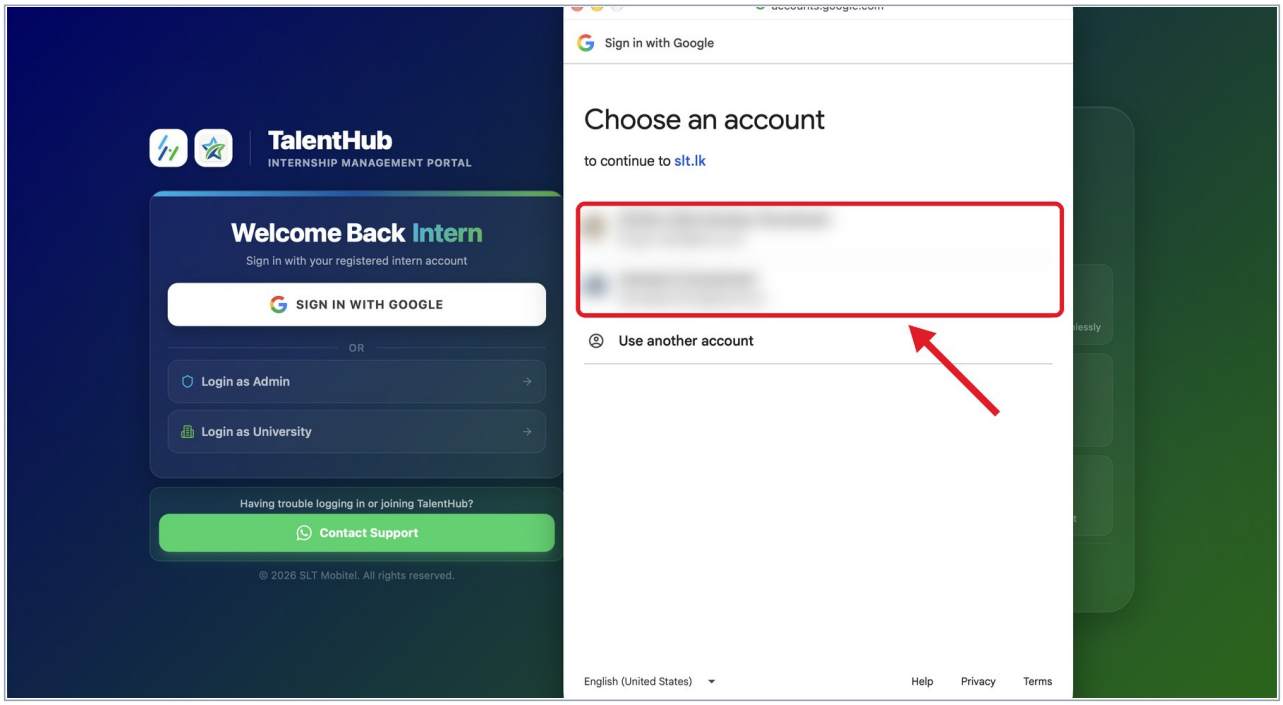

After opening the link, the Talent Hub login page will open. It looks like the screenshot in Step 2.

➢ Step 2: Sign in with Google

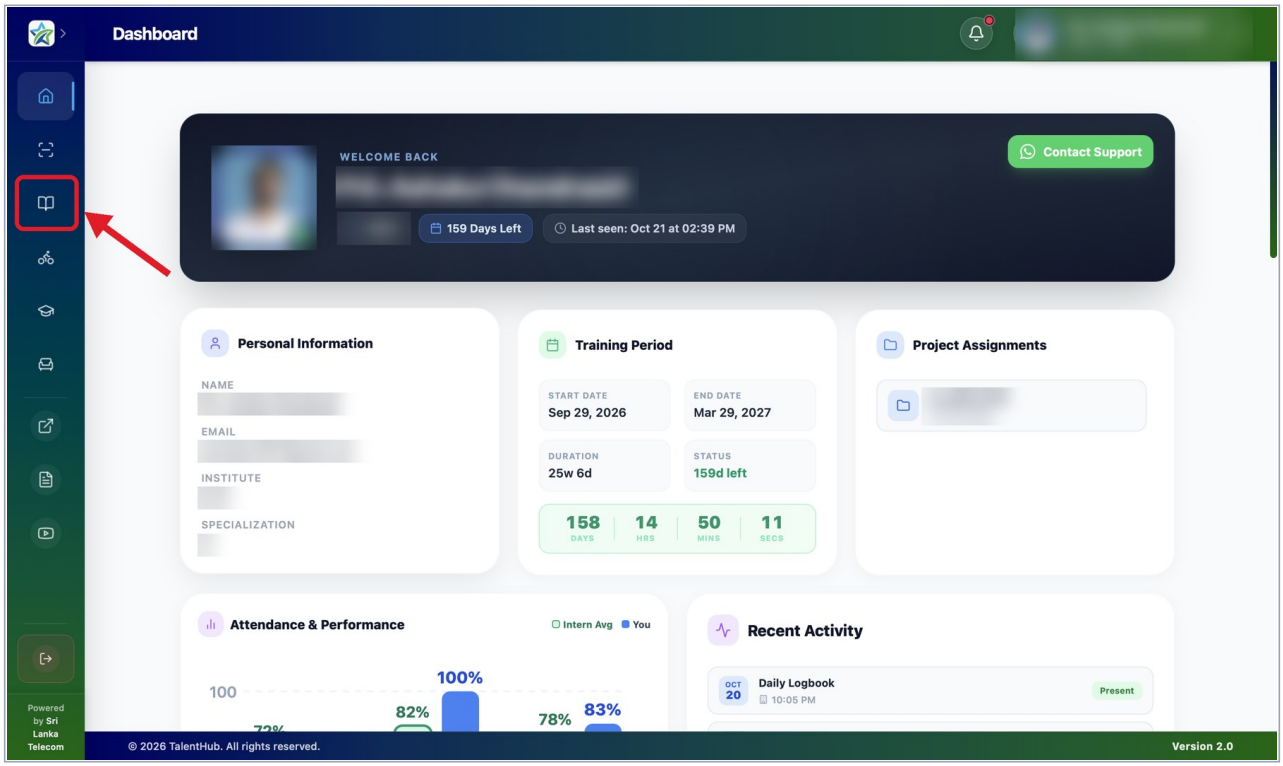

Click the **SIGN IN WITH GOOGLE** button. Interns must sign in with Google. **Login as Admin** and **Login as University** are not for interns.

➢ **Step 3: Choose the correct email**

A Google window will open. Select the email address you registered with SLT Mobitel and log in successfully.

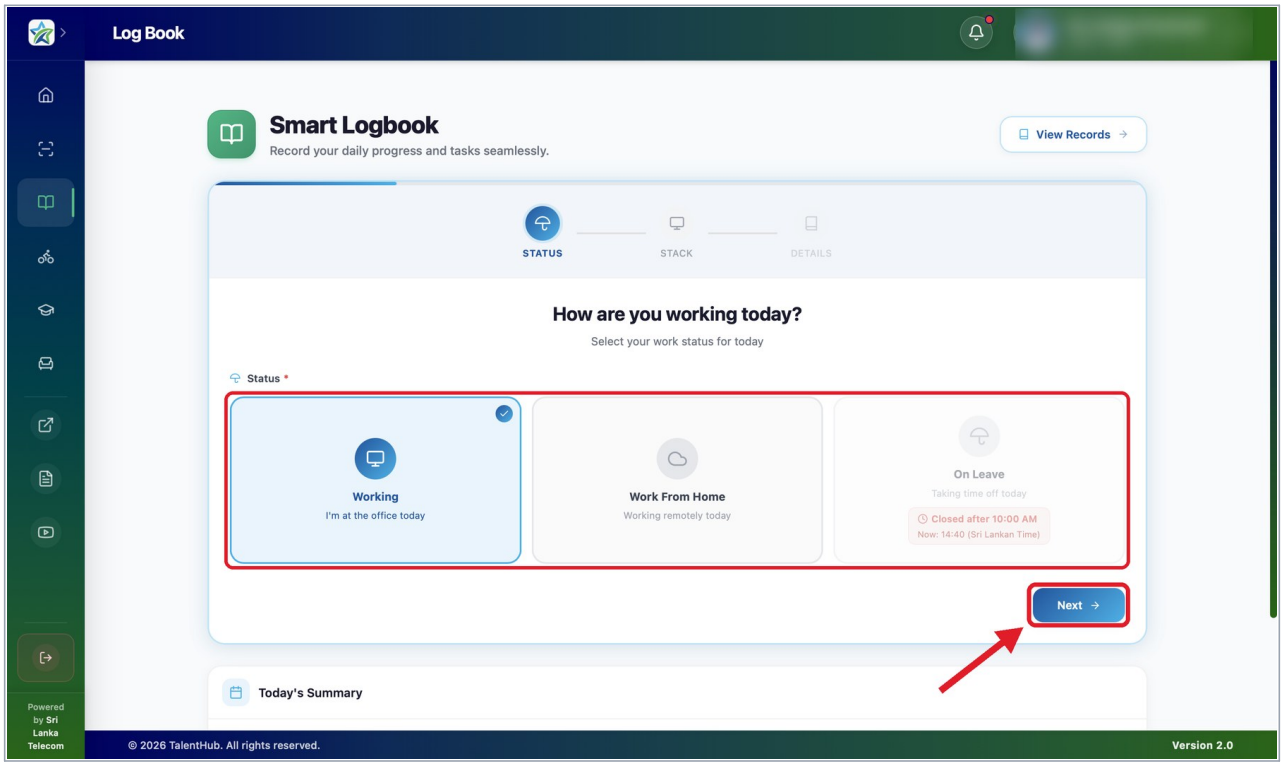

➢ Step 4: Open the Log Book from the dashboard

After logging in, you will see your **Dashboard**. It shows your personal information, training period, project assignments, attendance and recent activity.

To enter your daily work, click the **Log Book** icon (the open book) in the left menu.

➢ Step 5: Select your work status

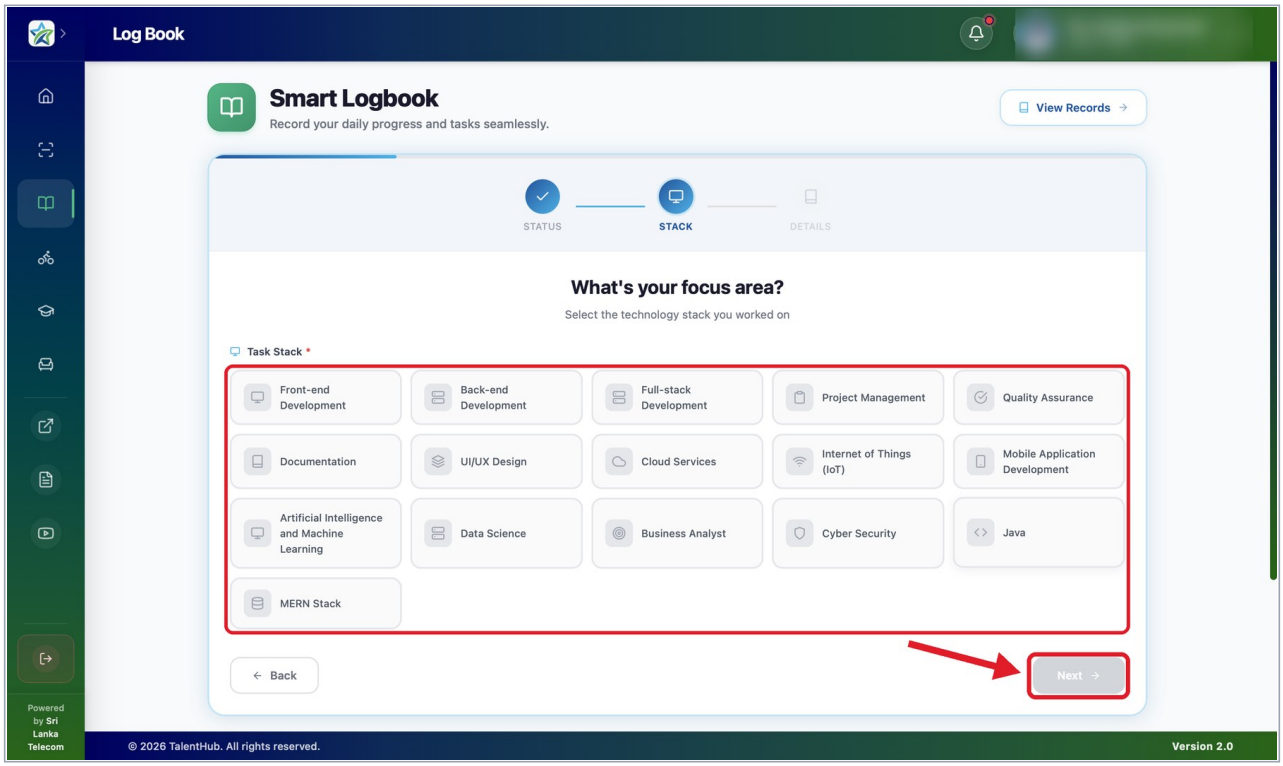

The Smart Logbook has three parts: **Status**, **Stack** and **Details**. First, select how you are working today, then click **Next**.

- If you come to the office and work, select **Working**.
- If you work from home, select **Work From Home**.
- If you are taking leave for that day, select **On Leave**.

  (Special Note – If you are taking leave, it must be entered before 10:00 AM on that day. After 10:00 AM the On Leave option is closed.)

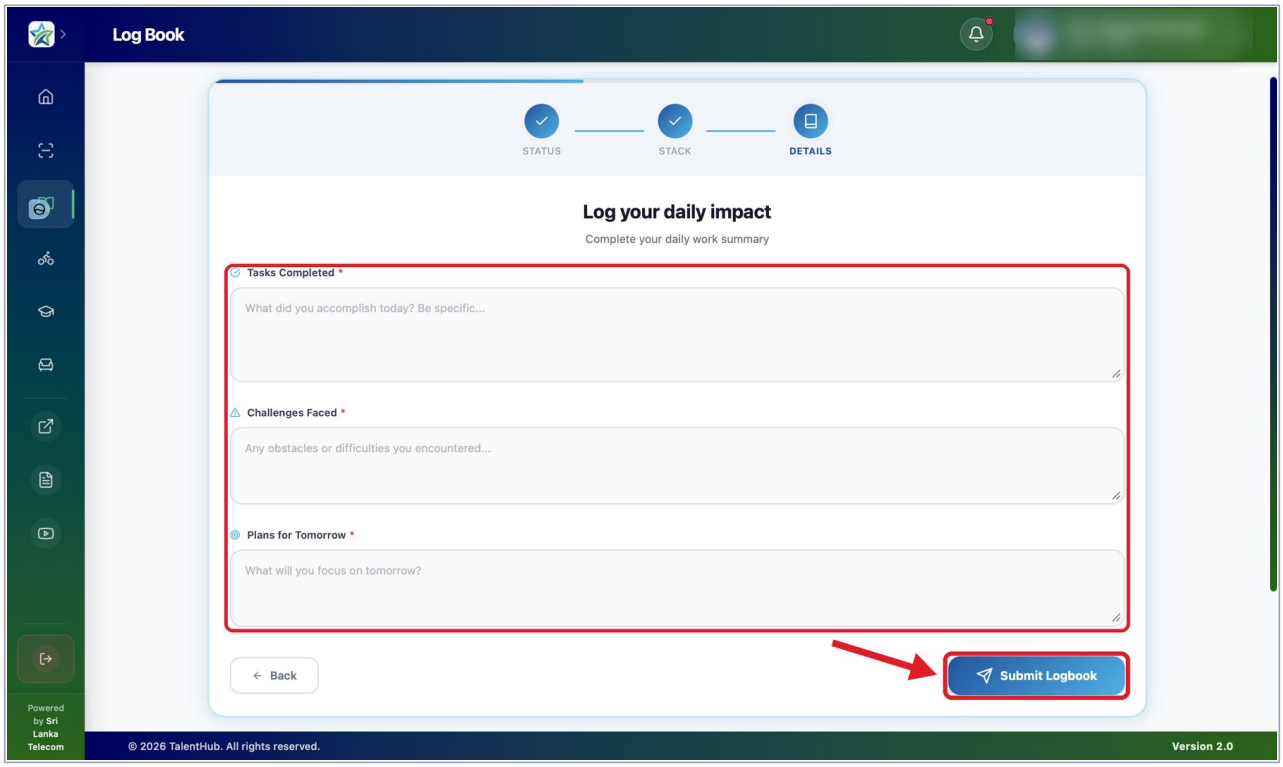

➢ Step 6: Select your task stack

Select the technology stack you worked on today, for example Front-end Development, Data Science, or Artificial Intelligence and Machine Learning. Then click **Next**.

The Next button stays grey until you select a stack.

➢ Step 7: Fill in the details and submit

Fill in all three fields. All of them are required.

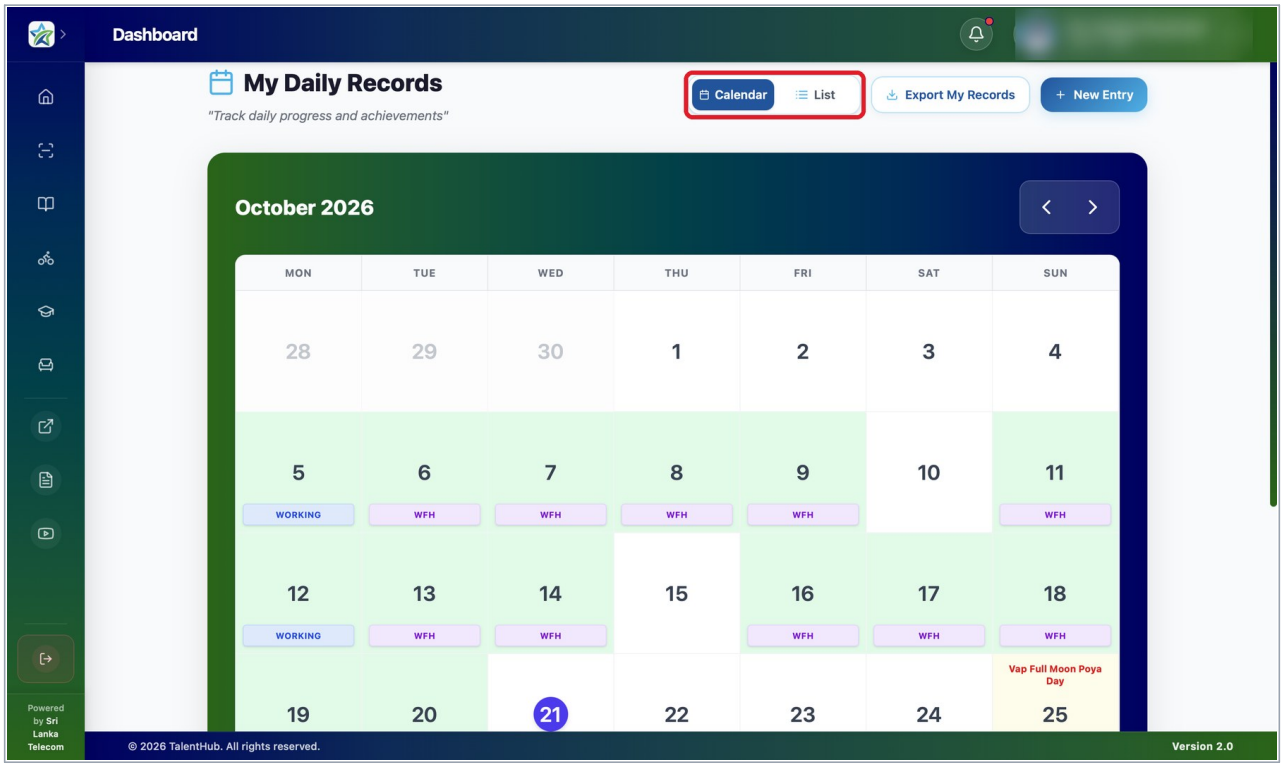

- **Tasks Completed** – what you accomplished today. Be specific.
- **Challenges Faced** – any obstacles or difficulties you encountered.
- **Plans for Tomorrow** – what you will focus on tomorrow.

After filling in all the information, click the **Submit Logbook** button.

➢ Step 8: View your daily records

To see your past entries, click **View Records** at the top right of the Smart Logbook page.

My Daily Records shows a calendar of your submissions. Each day shows the status you selected (Working or WFH). You can switch to **List** view, download your records with **Export My Records**, or add an entry with **New Entry**.

Remember: You must submit your daily logbook update every day. Failure to submit your daily update may result in your logbook access being terminated.
